

Bau dir deinen eigenen Tracker!

Du willst dir einen Überblick verschaffen, wie sich etwas über einen Monat hinweg entwickelt? Z. B. deine Laune? Oder dein Schlaf?

Dann bau dir deinen eigenen Tracker. Hier findest du Vorlagen zum Ausschneiden und Einkleben in ein Journal.

Erstelle dir dann eine eigene Skala. Wofür stehen 0 Punkte? Wofür 10?

Beispiel Schlaf: 1 = Ich habe sehr schlecht geschlafen, 10 = Ich habe tief und fest geschlafen und bin erholt aufgewacht.
